

Fire Brigades Union National Learning Centre

Level 2 Certificate in the Principles of Care Planning

Course Content:

This qualification aims to improve your understanding of your role in supporting the preferences and needs of individuals in relation to their care and support. It will also enhance your knowledge of nutrition and health in health and social care settings, as well as how to support an individual to maintain their personal hygiene.

Unit 1 - Understanding person-centred thinking and planning

Unit 2 - Care planning for the care worker

Unit 3 - Understanding nutrition and hydration in health and social care settings

Unit 4 - Principles of supporting an individual to maintain personal hygiene

Unit 5 - Understanding continence care

Unit 6 - Principles of supporting sleep

Completing the Course

The certificate consists of 6 units normally taking up to eight to twelve weeks to complete and there is no need to attend a college to gain the qualification. The learning materials contain the knowledge needed to meet the assessment requirements of the course and activities allow you to practice your skills and test your learning.

Assessments are based on a combination of knowledge and skills learned on the programme. You must complete the paper based assessments, within the agreed timescales and submit these for marking by our team of qualified tutors. Your tutor will provide feedback, advice and guidance to ensure you can complete the course. Upon successful completion of both unit assessments you will be awarded the Level 2 Certificate in the Principles of Care Planning.
